The Resident Assistant (RA) selection process is a rigorous one but is designed to be both fun and informative. We want you to learn as much about Residence Life and the RA position as you can so that if you are asked to be a part of our staff you will be able to make the best decision for you. Please feel free to ask questions throughout the process. Stop by the Office of Residence Life, see any Residence Life professional staff member if you have questions. We are here to provide you with the information and encouragement you need to succeed.

Please pay close attention to the selection process timeline. **All RA applicants are required to attend one of the RA Information Sessions. Remember that all applications are due to the Office of Residence Life by 5:00pm on January 15, 2010.** All applicants are required to take part in all phases of the selection process. Please note that after the Group Process & RA Interview phases are completed, candidates will be reviewed and only those invited to continue in the process will move on to the Professional Staff Interview.

We thank you for your interest in the Resident Assistant position and encourage you to accept the challenges Residence Life has to offer. Please read the information included with this application carefully. It will help to prepare you not only for the interview process but also to decide if the RA position is right for you. We look forward to seeing the skills and talents you have to share with our department.

Thank you again, best of luck, & Go Colonials!

Sincerely,

The RMU Residence Life Staff
